## PROFESSIONAL EXPERIENCE

### Intern

Elsner Technology Pvt Ltd. | Jul 2022 - Aug 2022

- During this one-month internship. I enhanced my foundational knowledge in web development specifically focusing on HTML, CSS, Bootstrap and other related technologies.

### Web Developer

WebNX | Sep 2022 - May 2024

- Designed user-friendly website and app interfaces, customizing WordPress sites to meet client needs.
- Designed online graphics for brand consistency.
- Built cross-platform desktop apps with Electron.js.
- Managed social media for brand visibility
- Enhanced website content for better SEO.

### Web Designer

Elite Cloud Books | July 2024 - April 2025

- Redesigned products for responsiveness with HTML, CSS, JS, jQuery, Bootstrap.
- Optimized UI for web and mobile compatibility.
- Built interactive features to boost engagement.
- Collaborated on design consistency with teams.

### Graphic Designer

Element Retail | May 2025 - Currently working

- Designed graphics for web and social media.
- Created responsive visuals for all screens.
- Developed brand assets and templates.
- Worked with teams to ensure visual consistency.
